Philadelphia, Pa.

## FOREWORD

THE firm of P. B. MINGLE CO. was established in 1837 and has been known ever since as being one of the most reliable seed houses in the United States. We endeavor to handle one grade of everything and this grade is the best. This applies to every dollar's worth of goods that comes into our place and it will pay you to get in touch with us before buying elsewhere. Cheap seeds are dear seeds. If for any reason you are dissatisfied with anything purchased from us "Tell us" and do not sit at home with a "grouch" and never come back, you lose money and so do we.
